| Test Type                   | PCR (most accurate)   | PCR (most accurate)                     | PCR (most accurate)                     | PCR (most accurate) & Antigen (less accurate)*  | PCR (most accurate)   | PCR (most accurate)   |
| Turnaround Time             | 5-7 business days   | 5-7 business days                       | 5-7 business days                       | PCR: 3-5 days<br>Antigen: same day  | 48-72 hours   | 5-7 business days   |
| Location                    | Multiple locations across Harris County   | Multiple locations across Houston       | Multiple locations across Houston       | Multiple locations across Houston   | Multiple locations across Houston   | Multiple locations across Houston   |

\*The antigen test is not as accurate as the PCR test and per the FDA may need to be confirmed with a PCR test prior to treatment decisions. Blue Fish only recommends using the rapid test when time is an issue.

\*\*0-6 months at West University Urgent Care only
