

# Memo

**To:** MAs and front desk  
**From:** Management  
**Date:** May 5, 2022  
**Re:** Cash prices for medical supplies

---

Beginning immediately if the doctor provides medical equipment during an office visit the MA will free type in the notes of the treatment section in the progress notes what was given. This will be the documentation that the billing department needs to send the claim out. The pricing list attached should be printed for the front and back to reference for billing the parent.
